- Specially developed assessment tools & techniques
- Well structured curriculum (veda activias) our in-house published books
- Effective lesson plans & classroom management-for the higher output

Give your child ahead  
start at pre school & Instill a life long  
**love of learning**

## What is pre school

Pre-primary education is an important stage which lays the foundation for life-long learning and whole person development, and serves as the starting point of formal education. It articulates with primary, secondary and tertiary education to form an entire spectrum of education.

Cultivating **mind body** soul
